

OFFICE OF THE  
North American and United States Gazette,  
No. 132 So. Third Street.

Philadelphia, *Sunday* <sup>July 13 (?)</sup> 1862

Dear Sir:

Here's a proof of a  
truck I have been delivering.  
I want ~~like~~ <sup>like</sup> this time  
like a full jug that glug -  
glug - glugged out a mis-  
taken dribble; ~~etc~~ I had a  
coarse tongue & a free utter-  
ance & spoke methodically &  
ecce figura.

When you come to the  
place in your Framing  
report - where my truck should  
come in, please say you o-  
mit<sup>t</sup> as you have another  
report of a more extended  
address by me on the same  
subject. And then say

as you will be obliged to - that  
you are compelled to omit  
it for want of room.

But - please read it; it  
contains several matters  
that I want - you to see.

Ever very

Wm McKim

Our Port Royal Relief Com-  
mittee have ordered in  
advance 500 Extra Copies  
of the North American of  
Sunday - in which it is  
to appear; and intend  
besides to publish it as  
a pamphlet, with some  
addenda which for want  
of time I could not get  
into it, as delivered
